

LIVE THE STORY

week five

This week with our 'live the story' we are focusing on having a grateful and giving heart.

PREP:

Have something prepared to be filled.
(garbage bag, boxes, a place in the house)

EXPLAIN ACTIVITY:

This activity is simple in set up and instruction, but might be challenging for some in practice. You will give a time limit (you can make it a game that's quick with a short timer, or give a bit more time so everyone can process it a bit more) and start getting rid of things that you no longer use. (A helpful idea is to look for things that someone else might need or could use.) Then go as a family to donate these items. Some donation suggestions include: *UBFM (blankets, large men's clothing, socks), Jericho Outreach (baby/maternity items), or some other local donation center.*

You can also look for pantry food boxes around your town to use as a drop off!

QUESTIONS & COMMENTS AFTER:

- What did it feel like when doing this activity?
- How do you feel now?
- What are some other ways we can give?

PRAY OVER IT
