

LIVE THE STORY

week one

This week we are participating in Jesus' teaching about how everyone is accepted and loved in God's kingdom., including those who seem (by worldly standards) to not be worthy of acceptance or love. To do this, we want to encourage you to pack and give some sort of care basket to someone in need. You can make cookies or brownies, you can buy someone a sort of spa package, or put together a hand out bag a homeless person in the area. The options are nearly limitless!

If you are wanting to do the last option here are some ideas of things with which you can fill your ziplock bag (think non-perishable and seasonal needs):

- socks. - written card. - water bottle
- Bible - granola bar - dried fruit
- gift card to restaurant. - mini fan - flashlight
- batteries. - individual cereal box
- hot hands - Gum

Make sure to pray over the basket and as a family, take it to whoever you made it for (if you can)!
