

# LIVE THE STORY

## *week eight*

This week with our 'live the story' we are focusing on how we treat others.

### PREP:

You might want to have a pad and paper for brainstorming, but for this activity you mostly just need yourselves!

### EXPLAIN ACTIVITY:

Take sometime to brainstorm with your family some things that you would love to have done for/to you. Next, make a list of things that would meet a person's needs (spiritual, physical, mental, emotional, etc.). Once you've made a good list, think of someone(s) for whom you could do one or more of those things. Think through different groups of people with whom you have contact (neighbors, friends, teammates, schoolmates, coworkers, church family, etc.). Make an actionable plan to do something that would meet one or more of their needs!

### QUESTIONS & COMMENTS AFTER:

- How would you feel if someone did some of these things on the list to you?
  - How does it feel to do it for someone else?
- What are some ways we can make this a more common practice in our family?

[POST ACTIVITY to our DIRECTION CHURCH group on FB](#)

PRAY OVER IT
